Hangman Game

Hangman is a *paper and pencil guessing game* for two or more players. One player thinks of a word, phrase or sentence and the other tries to guess it by suggesting letters or numbers, within a certain number of guesses.

Secret word

???

Ask for a few letters

-an-man -am-

???

Guess it!

Hangman game

Blocks of the code

- Read a random line from a file containing words
- Ask for the name of the player
- The player can ask for 5 characters
- The user can try to guess the answer 3 times
- If the user do not guess the correct secret words, show them!

THANK YOU
