Dear Dr Piccinini,

Further to your application for a UICC YY study grant, I am delighted to announce that you have been selected for an award.

Please find attached your letter of award, the statement of award, a banking details form and the end of project report template.

To accept the award and the conditions under which it is made, please return to us (by e-mail) the countersigned letter of award as soon as possible, as well as a good quality portrait photo of yourself that we can publish on our website.

The funds will be transferred upon receipt of the completed banking details form and a copy of your visa covering the dates of the duration of the fellowship visit (if required).

I look forward to hearing from you and wish you all the best for your fellowship!

Best Regards,

Sally Donaldson PhD
