Our ref: 573

Dear Filippo Piccinini,

It gives me great pleasure to inform you that your application for an EACR Travel Fellowship has been successful and you have been awarded the amount of **€2000** to support your visit to Professor Peter Horvath's lab at the Hungarian Academy of Sciences from **1 May - 31 July 2017**. The EACR Travel Fellowship Committee was favourably impressed by your proposed project "Single-cell isolation from 3D cancer spheroids", and I am delighted to convey their congratulations. When you have booked your travel please confirm your visit dates to Roger Doxat-Pratt at the EACR Secretariat.

In order to complete financial arrangements, please complete and return the attached claim form to Roger Doxat-Pratt ([Roger.Doxat-Pratt@nottingham.ac.uk](mailto:Roger.Doxat-Pratt@nottingham.ac.uk)) as soon as possible.

As mentioned in section 7 of the Applicant Handbook, we ask that you submit an EACR Travel Fellowship report at the end of visit, along with a few high-quality photographs. Full details about this important part of the EACR Travel Fellowship Programme can be found in the 'EACR Report Guidelines' document which you will have been sent. We look forward to hearing about your exciting trip.

Best wishes,

Professor Joan Seoane  
**EACR Secretary General**
